Feedback Report

⇒ It is very engaging and very informative.

The activities conducted were interactive and encouraged active participation.

⇒ The program Holders explained the concepts clearly and shared practical ideas that can be easily implemented in the classrooms.

The Things I liked the most in this Alfa-Teaching methods:-

Check Cheer Correct CCC-	MAT	Random mixed pairing
	Model apply	
	Transfer	5 - pillars
	Daily - Transparency for parents	Peer - collaboration

Overall, It was very excellent experience and I look forward to attending more such Workshops in the future.
