· A lot of points regarding the do's and don'ts during a lesson demo were covered up by Ma'am Sumita & Ma'am Riya.

· The tips and advices regarding certain requirements for specific topics is really were like eye openers to ~~its~~ me, because having the sources, I wasn't utilizing them.

· The indepth knowledge on the SDG's and Panchakosha's were really amazing as well.

It was really an honour to have A both the Ma'ams come all the way to give us guidance and ~~as~~ ~~Sutra~~ & making our teaching little bit easier and smoother.

Being a Montessori Trained Teacher myself, I really love the concept of ALFA because Montessori made me love learning and teaching.

Thank you to all!.
